

**UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF TEXAS  
FORT WORTH DIVISION**

**ERIC JACKSON, ALARIC STONE, and  
MICHAEL MARCENELLE**, on behalf of  
themselves and all others similarly situated,

Plaintiffs,

V.

**ALEJANDRO N. MAYORKAS**, in his official capacity as Secretary of Homeland Security, et al.,

Defendants.

Case No. 4:22-cv-00825-P

**FOURTH SUPPLEMENTAL DECLARATION OF LIEUTENANT JUNIOR GRADE**  
**ALARIC STONE**

Pursuant to 28 U.S.C. § 1746, I, Alaric Stone, under penalty of perjury declare as follows:

1. I am over the age of eighteen and am competent to make this declaration.
2. I continue to face adverse action due to my decision to not receive the COVID-19 vaccination.
3. I requested that the Coast Guard remove administrative remarks (CG-3307s) from my personnel file that reference my vaccination status, but on May 16, 2023, I was informed that the Coast Guard refused to remove one of these CG-3307s. See the email chain, which includes a copy of the CG-3307, attached as Exhibit 1.
4. Absent further relief, I understand that this CG-3307 will remain in my record and will be among the documentation the Lieutenant selection board will review when my record is considered in September 2023.

5. The CG wrongfully canceled my orders to attend the Coast Guard Intelligence Officer Course (IOC) because I was unvaccinated. See also ECF No. 72 at 16; ECF No. 73 at 8. To date, I still have not received new orders to attend this course.

6. IOC is a requirement for Coast Guard officers to earn the Apprentice level Intelligence (Apprentice Intel) Officer Specialty Code (OSC). The Intelligence Program uses OSCs to manage its workforce's professional competence and suitability for future intelligence assignments.

7. I understand that, because I have not yet attended the CG IOC, I may be delayed in earning the Apprentice Intel OSC compared to my peers and will almost certainly be delayed if not remedied soon. Earning professional qualifications and credentials on time is a major factor that the Coast Guard considers when evaluating Junior Officers such as myself for promotion and assignments. If I fail to earn the Apprentice Intel OSC on time due to my not having attended IOC, I may permanently be at a disadvantage compared to my peers as future promotion boards/selection panels will always be able to see that I was delayed in earning the Apprentice Intel OSC.

8. I declare under penalty of perjury that the foregoing is true and correct.

Executed on June 19, 2023.

Good Day LTJG Sone,

Just wanted to let you know that I tried to get the below 3307 (see snapshot) removed from your OMPF in iPERMS since it's COVID related as we had received some guidance that said all COVID related 3307's where suppose to be removed from member's records. Unfortunately, HQ has stated that it's not one of the 3307's that is covered by the current authority and that you will have to follow established procedures if you wanted to request it be removed. All other 3307's that were in your record have been removed from what I have reviewed in your record. If you find another one, please let me know.
